## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 19-22 allowed.

The following is an examiner's statement of reasons for allowance: No art of record either alone or in combination discloses a crane game where the targets are sorted by a variable width slot to sort different size targets and then sense the size, where the target is then returned to the target bin area. The crane games of record pick up the prize and then deliver it to the user. They do not sense target size, dispense tickets according to size of the target, and then return the target to the bin for further game play.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
